Detailed Action

The new drawings are accepted.

The 35 U.S.C. 101 rejection is withdrawn.

REASONS FOR ALLOWANCE

The following is the examiner's statement of reasons for allowance:

Independent claims, among other things teach, a central server that maintains server selection weights and provides a candidate server list to clients based on the weights and feedback adds an extra server to the list, wherein the extra candidate server is randomly selected and wherein the extra, randomly selected, candidate server is a fixed percentage beyond the number of servers based on the weights.

The prior art does not teach the cited limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
